

COUNTY CUB CAMP 2018

CAMP BADGE DESIGN COMPETITION ENTRY FORM

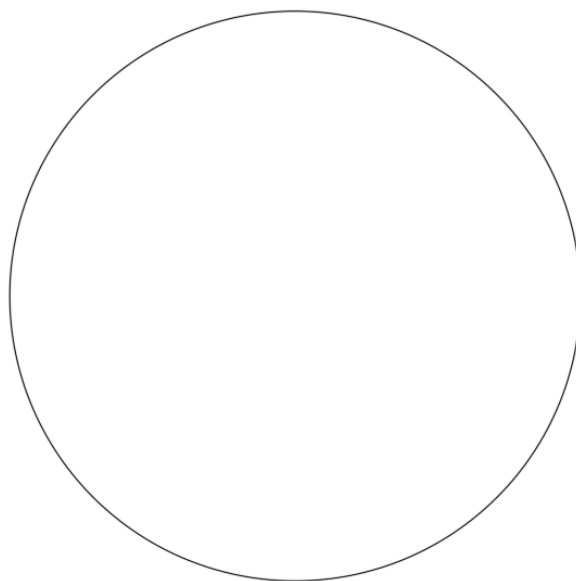

For next year's County Cub Camp, I would like to offer the Cubs the opportunity to create the winning design for our County Cub Camp Badge which will be given to every member who takes part in the camp next year!

Designs need to be completed in the box below and be based around the theme for the camp which is Superheroes!

While I want the Cubs to be as creative with the badge design as possible, the badge must include the following and be completed in the template below:

- A maximum of eight colours (including black and white);
- Wording: Northamptonshire County Cub Camp 2018
- The design should not include:
 - TV or film characters;
 - Non-Scout trademarks;

The competition is open to all Cub Scouts and can be done by hand or digitally.
