

Northamptonshire Scout Network SASU is to provide and promote opportunities for its Scout Network members, in order to gain senior awards, support personal development and to participate in events and activities Locally, Nationally and Internationally.

Northants Network SASU is to support those Districts that already have a Local Scout Network and to supplement the provision of Scout Network in those Districts that currently do not have provision.

Registration is aimed at all of those 18-25 years old, who wish to join the SASU but also open to those over 25 years who can and would be able to support by their experience and knowledge.

To register your interest as a member and any of the events in this newsletter please contact: Jane Macken, Northants Scout Network SASU Manager

World Scout Moot—Ireland 2021

Monday 19 July - 29 July 2021

<https://www.worldscoutmoot.ie/>

The World Scout Moot is an international event for Scouts aged 18-25 by July 2021

The entry point to the Moot will be Dublin City. International Patrols will then explore the many wonders of Ireland on a collection of exciting and interesting trails across the island. The Patrols will then return to Dublin for the Base Camp feature of the Moot before returning home.

Each country attending the Moot organises and sends a national contingent. This means that individuals or small groups of Scouts cannot register directly with the Moot organising team, but must instead register via their National Scouting Organisation. All bookings are done through the National Scout Organisation and appointed Head of Contingent..

Find out more at the launch on Saturday 28 March 2020 at 7pm Overstone Campsite
